VOL. IV No.051

January 2018

Welcome NEW YEAR 2018

Mahakavi Kalidasa in the epic 'Meghasandesham' picturises Lord Surya hitching his horses to his chariot only once, after which he didn't get down from the chariot. The journey of Lord Surya according to the Vedas brings out days, nights, rithus, ayanas, Varshas, Samvalsaras..... The year 2017, after casting impression of happiness, sorrow, defeat, luck and what not, has moved on.

"Happiness and Sorrow are two good teachers". Both seasons humanity equally. The year 2018 brings new hopes, new challenges, new threats and above all new dreams. Resolutions are taken by everyone to confront the new world. The shortfalls of yester years, the ups and downs faced, all pave way for the mankind to gear up energy for becoming a better human being in a better world. May the New Year 2018 be blessed by the Almighty. "Loka Samastha Sukhino Bhavanthu".
